

# V CARE FOUNDATION

## An Emotional Support Group For Cancer Patients

VANDANA GUPTA

# What is Bioethics

## Moral Issues dealing with

- HEALTH
- LIFE
- DEATH

# Concern

- Well being and dignity of the patient
- Matters of choice
- Rights and responsibility of the patient and family.

# What really happens

- Lack of Sensitivity
- Lack of Privacy
- Lack of respect for the patient

# Are The Best Treatment Policies only for the RICH

- Medical tourism
- Private Facilities

# Violation of fundamental rights

- Right to know the doctor
- Right to know the plan of treatment.
- Right to advance directive concerning expected expenses

- 
- Right to receive information that the patient can understand
  - Right to say Yes or No to experimental treatments.

# Accurate information on Diagnosis, Treatment or Prognosis

- Information on side effects, costs,
- Choice and decisions of the patients have to be respected.

# Dignity in death

- Right to mourn
- Dead bodies are not released till payments are made.

THANK YOU
